

Product Profile

Dingbat® Medium Pedalboard Power Package with Pedal Power® 4X4

DINGBAT® SERIES OVERVIEW

Designed for seamless integration with industry-standard Voodoo Lab® Pedal Power®, the innovative patented Dingbat pedalboard delivers a rugged, lightweight platform for organizing pedals and keeping cables neatly tucked away and out of view. Each Dingbat is crafted in the USA from superior 6061-T6 aircraft-grade aluminum and includes a heavy-duty tour-ready gig bag.

PRODUCT OVERVIEW

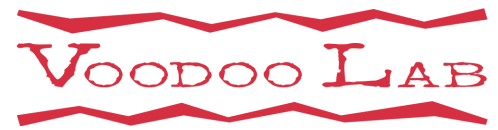

Dingbat® Medium 4X4 Power Package is ideal for assembling a typical size board with room for 6 to 10 effects and includes a factory-installed Pedal Power® 4X4 with all necessary power cables. Dingbat Medium pedalboard also features a dedicated position for a second Pedal Power that can be quickly installed with optional mounting brackets if more power is needed. Hook-and-loop tape is provided to attach pedals, as well as zip ties and 4-way tie mounts to secure cabling underneath.

POWER SUPPLY

Pedal Power® 4X4 is equipped with 8 noise-free isolated outputs that will bring out the best tone and performance from your pedals. With four 9V 400mA outputs and four 9V 100mA outputs, Pedal Power 4X4 is ready to power anything from standard battery-powered stompboxes to modern high current DSP effects like Strymon, Eventide, Line 6, and TC Electronics. Two of 4X4's 400mA outputs include a second port for pedals requiring 12V. Combine isolated outputs with Voodoo Lab Doubler Cables for 18V or 24V operation or to reach currents of up to 800mA (cables sold separately).

GIG BAG

Each Dingbat Medium pedalboard includes a heavy-duty tour grade padded gig bag featuring shoulder and backpack straps for easy transportation and premium materials, like YKK zipper hardware, to ensure long-lasting protection for your board and pedals.

Product Profile

Dingbat® Medium Pedalboard Power Package with Pedal Power® 4X4

Short Description

The Dingbat® Medium 4X4 Power Package is ideal for assembling a typical size board with room for 6 to 10 effects.
