

Product Profile

Dingbat® LARGE Pedalboard

DINGBAT® SERIES OVERVIEW

Designed for seamless integration with industry-standard Voodoo Lab® Pedal Power®, the innovative patented Dingbat pedalboard delivers a rugged, lightweight platform for organizing pedals and keeping cables neatly tucked away and out of view. Each Dingbat is crafted in the USA from superior 6061-T6 aircraft-grade aluminum and includes a heavy-duty tour-ready soft case.

DINGBAT LARGE is ideal for organizing a robust assortment of 10 to 16 effects. Installing Pedal Power® with the included mounting hardware is quick and easy using only a screwdriver. Dingbat Large also features a dedicated position for a second Pedal Power that can be quickly installed with optional mounting brackets. Hook-and-loop tape is provided to attach pedals, as well as zip ties and 4-way tie mounts to secure cabling underneath.

ORGANIZE

A key element in executing a flawless performance is a clean, organized pedalboard. Dingbat's innovative patented design helps organize your rig like a pro. All supplies needed for securing pedals and cabling to the board are in the box.

PROTECT

Dingbat LARGE includes a heavy-duty tour-grade soft case. Premium materials and construction ensure superior performance and long-lasting protection for your pedalboard. A removable shoulder strap and stowable backpack straps are included for easy transportation.

POWER

Dingbat Power Packages offer the convenience and added value of a factory-installed Voodoo Lab isolated power supply. Just add pedals and audio cables and you are ready to go. In addition to convenience, a factory-installed Pedal Power ensures any pedal will sound and perform it best. Even under poor AC line conditions, you can always count on Pedal Power to consistently deliver the cleanest most reliable power possible. Dingbat LARGE is available bundle-priced with a 12-output Pedal Power 3 PLUS.

Product Profile
