

Product Profile

Dingbat® SMALL-EX Power Package with PEDAL POWER® 3

DINGBAT® SERIES OVERVIEW

Designed for seamless integration with industry-standard Voodoo Lab® Pedal Power®, the innovative patented Dingbat pedalboard delivers a rugged, lightweight platform for organizing pedals and keeping cables neatly tucked away and out of view. Each Dingbat is crafted in the USA from superior 6061-T6 aircraft-grade aluminum and includes a heavy-duty tour-ready gig bag.

PRODUCT OVERVIEW

Dingbat® Small-EX Power Package with Pedal Power® 3 features factory-installed power and is ideal for assembling a compact and lightweight travel board with 6 to 8 effects. Its 10" depth easily accommodates a full size wah or volume pedal, while still maintaining an airline carry-on size. Hook-and-loop tape is provided to attach pedals, as well as zip ties and 4-way tie mounts to secure cabling underneath.

POWER SUPPLY

Pedal Power 3 is the first lightweight, high current, universal input voltage power supply to deliver zero-noise performance. Featuring eight high current isolated outputs (6 x 9V, 2 x switchable 9V/12V), it is ideal for delivering audiophile-quality power for everything from standard battery-operated pedals to modern high current DSP effects. Pedal Power 3 is also expandable via on-board X-LINK ports and operates at any input voltage making it an ideal choice for international touring. All necessary power cables are included.

GIG BAG

Each Dingbat Small-EX pedalboard includes a heavy-duty tour grade padded gig bag featuring a padded shoulder strap for easy transportation and premium materials, like YKK zipper hardware, to ensure long-lasting protection for your board and pedals. The Dingbat Small-EX gig bag meets all commercial airline carry-on requirements.

Product Profile

Dingbat® SMALL-EX Power Package with PEDAL POWER® 3

Short Description

The Dingbat® Small-EX with Pedal Power® 3 is an ideal powered pedalboard for 6 to 8 effects. The factory-installed Pedal Power 3 features eight 500mA zero-noise isolated DC outputs that will bring out the best tone from your pedals. Each Dingbat pedalboard includes power cables, pedal mounting accessories, and a heavy-duty tour grade padded gig bag. Pedalboard size: 18" x 10".
