

Product Profile

Tremolo

PRODUCT OVERVIEW

The Voodoo Lab® Tremolo re-creates the buttery, seductive tone of a vintage tube amp tremolo. This is accomplished by using the same lamp and photocell assembly found in many popular vintage amps.

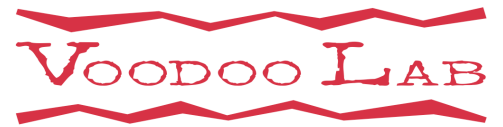

This pedal also features a slope control which lets you adjust the feel from a traditional soothing tremolo to a hard “machine-gun” stutter. Speed and intensity controls provide a wide range to include very slow and deep sounds. A volume control lets you cut or boost the output level. Now you can add warm, mind-bending trem vibes to any amp with the most versatile tremolo available.

CONTROLS

- **INTENSITY:** Controls the amplitude of the tremolo waveform
- **SLOPE:** Varies the shape of the tremolo waveform
- **SPEED:** Controls the rate of the tremolo
- **VOLUME:** Controls the output level of the effect

CLASSIC SETTINGS

- **Shimmer:** Set the intensity around 3:00 and the speed nearly all the way up.
- **Surf:** Set the intensity around 2:00 and the speed around 3:00.
- **Leslie:** Turn the intensity all the way up and set the speed to the desired tempo. Between 12:00 and 2:00 is generally preferred.
- **Stutter:** Turn the slope all the way up. Set the intensity all the way up and the speed as desired

Tremolo

Short Description

The Voodoo Lab Tremolo re-creates the buttery, seductive tone of a vintage tube amp tremolo. Add warm, mind-bending trem vibes to any amp with the most versatile tremolo available. True bypass switching.

FEATURES & SPECIFICATIONS

- Authentic lamp and photocell tremolo circuit
- SLOPE control for waveform tweaking
- Ultra-wide range of SPEED and INTENSITY settings
- True Bypass switching via High Reliability Gold-Contact Relay
- Product dimensions: 4.75" x 3.75" x 2" (121 x 95 x 51mm)
- Product weight: 0.85 lbs. (0.39kg)
- Power requirements: 9V DC 30mA
- Power input type: 5.5mm x 2.1mm barrel connector, center negative polarity
- Designed and assembled in the U.S.A.
- 5-year warranty*

Model Description: Tremolo

Model Number: VT

UPC: 813140001048

**Warranty for North America only. Other regions contact your country's distributor for warranty info.*
